NEW DELHI: IndianOil director (planning & business development) Brij Mohan Bansal on Tuesday took over the additional charge as chairman of the flagship refiner-marketer. He takes over from Sarthak Behuria, who completed his five-year term on February 28.

Bansal has over 35 years of experience in hydrocarbons industry, spanning finding new business avenues for IndianOil, R&D and operating refineries. He joined the IndianOil board in 2005.

The company is also in the process of revamping its safety measures in the wake of the major fire at its storage facility at Jaipur.
